

FEATURES & BENEFITS

- ① **Heavy Duty Triple Piston Cat Pump** 
- ② **970 Ltr Baffled Water Tank. UV Protected Polypropylene with 10mm thickness**
- ③ **Large choice of Tank and Chassis Colour Combinations**
- ④ **Canopy mounted detergent system**
- ⑤ **28 Ltr Detergent Tank**
- ⑥ **15 Ltr Anti-Freeze Tank, and Pump Frost Protection System**
- ⑦ **20m Live Hose Reel, and/or 90m 12V Electric Hose Reel with Drain Hose. Complete with Drain Nozzles**
- ⑧ **Simple throttle control for pressure regulation**
- ⑨ **Interchangeable Heavy Duty Stainless Steel Gun and Lance, and carrier. Optional Turbo Nozzle**
- ⑩ **Choice of 50mm Ball or 40mm Ring couplings - Alko Adjustable Hitch available**
- ⑪ **The Unique & Innovative cooling system by Water & Air, eliminates the need for a radiator.**
- ⑫ **Simple Service**

SPECIFICATIONS

Pressure	3000 PSI / 207 BAR
Volume	3.3 GPM / 15.0 LPM
Pump	Quality Triple Piston Cat Pump
Engine	Kubota Mini Series diesel engines
Drive	Long Life Belt Drive
Noise	70 dB(A) at 7M & 78 dB(A) 1M
Lance	1m Lance Standard
Hose Reel	20M HP 3/8" High Pressure Hose
Thermo-sensor Valve	Protects pump from Overheating
Weights	TBA
Dimensions LxWxH mm	LxWxH TBA
